

MLK Closing Information

How long will MLK indoor be closed?

MLK Indoor will be closed from May 20 – early September.

What is being done?

The filter tanks are being replaced. There will be no visible change for people to see.

Will any part of the MLK indoor be open for use?

The entire facility will be closed.

Can we swim at Fairland, Rockville or Gaithersburg with our Rec Access Passes and P12 Cards?

We do not have an agreement with any other indoor facilities. However, pool passes and P12 cards are valid at our three other indoor facilities and seven outdoor pools.

Is the outdoor pool heated?

The water is not heated.

What will the outdoor pool schedule be for lap swimming, programs and classes?

There will be programs offered outside. Early Bird Lap Swimming and Deep Water Running will be available beginning May 28th. Water fitness will begin June 1. Lessons will begin June 15th. Please refer to the full schedule.

How do we enter the outdoor pool?

All admittance to the outdoor pool will be through the front gate.

Can my pass be extended since I can not swim at MLK Indoor?

All passes purchased prior to May 1, 2019 will be given the option to suspend and then extend their passes for the closed months. All requests will be processed at the MCR Administrative Offices. Forms are available at the facility and www.mocorec.com. Requests for suspension must be received no later than June 1, 2019.

Pass suspension and extension guidelines:

- If a pass expires after September 2, it may be suspended from May 20 – September 2 and the expiration date will be extended three months from original end date.
- If a pass expires between May 20 – September 2 it may be suspended for time remaining on the pass and extended for the same amount of time.

The pass will not be available for use under any circumstances when suspended. If you choose to visit the pool during that time, you will be charged daily admission.
